

This document illustrates the state of affairs of the OS after the first half year of 2020-2021. This overview represents the time frame 1<sup>st</sup> of August, 2020 until 31<sup>st</sup> of January, 2021.

## 2. Balance sheet 31-01-2021

Below, the balance sheet at the 31<sup>st</sup> of January 2021 is shown.

Balance Sheet 31-01-2021			
Assets		Liabilities	
Rabobank bank account	€ 514.49	Equity	€ 6,085.87

<b>Total</b>	<b>€ 70,745.58</b>	<b>Total</b>	<b>€ 70,745.58</b>

### 2.1. Debtors

Debtors as of 31-01-2021			
Debtor	Amount	Since	Status (07-02-2021)
ET 19/20 Outing remaining costs	€ 11.20	14-08-2020	Contacted
EEMCS 19/20 Outing remaining costs	€ 54.80	30-08-2020	Contacted
OS Socks (5 pairs)	€ 41.75	30-11-2020	Contacted
Dinner after constitution drink Feb 2020	€ 25.37	12-08-2020	Contacted
<b>Total</b>	<b>€ 133.12</b>		

The remaining costs for the ET and EEMCS outing 19/20 and constitution drink dinner are still costs to be paid by the previous OS board (2020-i), and are contacted about this.

The OS Socks are previous OS board members who ordered socks and haven't paid them yet. I will figure out who hasn't paid it yet and will contact them about this soon.

### 2.2. Board debt

Board debt as of 31-01-2021			
Debtor	Amount	Since	Status (07-02-2021)
OSb 2020-i FACT Activity	€ 35.76	07-02-2021	Contacted
OSb 2020-ii Ties & Pins	€ 70.59	07-02-2021	Contacted
OSb 2020-ii Bags	€ 56.94	07-02-2021	Contacted
<b>Total</b>	<b>€ 163.29</b>		

These amounts are the debt of the OS board which have been paid for by OS and will be repaid. I only noticed the board ties and pins should be under General Representation after we spent the budgeted amount on board clothing, so we still have to repay those amounts to not go over budget.

### 2.3. Stock

Stock as of 31-01-2021			
Stock item	Amount	Current value	
OS Board ties	51	€	654.33
OS Hourglasses	73	€	291.27
OS Socks	30	€	250.50
OS Bags	12	€	52.56
OS Board pins	96	€	154.56
<b>Total</b>		€	<b>1,403.22</b>

### 2.4. To receive amounts

To receive amounts as of 31-01-2021	
Description	Amount
Too much paid KIOSK 2019	€ 30.00
<b>Total</b>	<b>€ 30.00</b>

This amount would usually be deducted from 2020's invoice. However, we didn't get an invoice as there were no stands for study associations at the opening market, for obvious reasons. This will therefore be deducted from this year's invoice.

### 2.5. Provisions

Provisions	
Description	Amount
End of year BBQ + CB Bonding 2020	€ 1,200.00
Transfer dinner OSb2020-i OSb2020-ii	€ 150.00
Provision result 2019-2020	€ 1,000.00
<b>Total</b>	<b>€ 2,350.00</b>

There was a provision of €500 made for the KIOSK 2020, which has not taken place and will therefore also not be spent. This amount has been added to the equity of OS.

The End of year BBQ and CB Bonding 2020 will probably be spent on the next End of year BBQ. We will also invite last year's board members, since this is budget from 'their' year.

The transfer dinner is currently not planned because we have to wait until the restaurants open up again.

The provision of the result of 2019-2020 will remain in the provisions, and will be decided whether to keep this provision to compensate for the book contract's loss of income in the coming years, or that we will spend this money this year. This largely depends on whether it will be possible again to organize activities like the CantOS or GalOS at the end of the year.

### 3. Preliminary result 2020-2021

This table illustrates the expenses until Q2, the prognosis for Q3 and Q4, as well as the expected result of 2020-2021.

## 3.1 Organisation

### 3.1.1 Provision coming years

Since we expect quite a big profit this year, we will make a provision to compensate for next year's lesser income from the book contract.

### 3.1.2 Transfer dinner

There is also a provision for a transfer dinner; the provision is for the transfer dinner of OSb2020-i & OSb2020-ii, the budgeted amount is for OSb2021-i & OSb2021-ii.

## 3.2 GMA

### 3.2.1 Drinks

We still have to receive the invoice for the after-GMA drink from September. We don't expect to have an after-GMA drink in March, but do have good hopes we can continue this from April to June and have therefore budgeted for 4 after-GMA drinks.

### 3.2.2 Constitution drinks

Since a constitution drink was not possible at the start and halfway through the year, no money has been spent yet. We hope we will have some sort of (alternative) constitution drink in the summer. If this is also not possible, a provision will be made to host a larger one when it is possible next year.

## 3.3 Activities

### 3.3.1 Function outings

Unfortunately, we haven't really been able to organize function outings because of the lockdown.

### 3.3.2 End of the year-BBQ & CantOS

We hope to still be able to organise this, otherwise this will be a provision for an activity for this year's board members.

### 3.3.3 GalOS

We don't expect to be able to organise a prom this year. Since former board members are also invited to future proms, it is not necessary to make a provision for next year's prom.

### 3.3.4 OS Cup

The money spent until now is for the playing cards given during the coffee dates at the beginning of the academic year. The rest will be spent on prizes for both OS Cup sprint winners.

## 3.4 Contribution

### 3.4.1 Members

With H.V. Ockham being our newest member since December, I thought it would be fair to only charge half the membership fee.

## 3.5 Extraordinary

### 3.5.1 Unforeseen income

Unforeseen income	
Unforeseen income	Amount
GMA December 2019 never invoiced	€ 100.00
Codeces CantOS 2019 never invoiced	€ 100.00
<b>Total</b>	€ 200.00

There apparently was no after-drink at the GMA of December 2019, which was on the *To be paid amounts*. This is considered a profit for this book year, as the previous book year has already been approved by the GMA.

The codeces from the CantOS in 2019 were printed by T-point, but no one knows who has ordered them and an invoice was never received. For the same reason as above, this is considered a profit for this book year.

### 3.5.2 Unforeseen expenses

Unforeseen expenses	
Unforeseen expenses	Amount
Wrongly ordered board shirt	€ 19.60
Rounding difference OS Socks	€ 0.25
Lost board tie	€ 12.82
Mistake in provision sweaters OSb 2020-i	€ 1.92
Rounding difference OS Board pins	€ 0.54
<b>Total</b>	€ 35.13

One board tie got lost somewhere, and no one has an idea where and therefore counted it as a loss. The rounding differences on the OS Socks and Board pins are to make sure there is a set price for both items. This is easier in the bookkeeping, but does create a small loss.

There was a difference between the provision made for the sweaters of OSb2020-i and the actual declaration of them, which caused a small loss.

### 3.5.3 Board initiatives

Due to bookkeeping reasons, the difference in board initiatives between the initial and current balance sheet cannot be found on the preliminary result. However, this post is meant for small initiatives and/or good ideas from the OS board, for example the Christmas cards you have received.
