

For 2016, the projected amount of grants for the OS is 166. For 2017, OS will receive at least 133 grants. 299 grants relatively divided over the inventarisations of 2016 and 2017, the amount of grant for both years will look like this:

Year	Projected grants	Factor	Actual grants
2016	288	53%	157
2017	257	47%	142

At the GMA of October 2016, the ABC asked the associations how they want to divide the grants, this is implemented below. Most grants are in categories 1 and 2, the few grants that were left over are granted to activities in category 3 that were to receive 5 grants. Also, the board of Ideefiks and Onwijs will both receive 2 grants. Each study trip receives 83% of the projected grants, for symposia this is 80%.

At the GMA of 24 November 2016 it became clear that we could divide 15 extra grants over 2016, making this a total of 172 grants. For 2017, a similar amount of extra grants will most likely be available.
