As we have announced during previous GMAs, we would like to change the name of Overleg Studieverenigingen to something more international. After asking for input and receiving some nice suggestions, a choice has been made. There has been decided to change the name to Organisation of Study associations, 'OS'. As we do not want our official committee names to lag behind, we have also found suitable substitutes for them.

Approving this document will result in the following changes. Please note that no changes will be made to the statutes (yet) and the legal name will remain "Overleg Studieverenigingen". Nevertheless, the changes will be used wherever possible from now on.
