**Document 20181204***Proposal Final Activism Grants distribution 2018  
category 1,2,3 and 4*

---

The submitted evidence has been evaluated by the ABC committee to determine the maximum amount of grants that an activity can receive.

The procedure on how the grants were divided between the umbrella's has not been convenient this year. The final division was only determined on the 19<sup>th</sup> of December, the day before this GMA. The final number of grants is **375**, which is one grant more than the division that was accepted on the GMA in November. This spare grant has been added to the Europe trip of Astatine, as was mentioned at that GMA as well.

The value of a single grant has changed for this academic year. Last year, one grant represented the amount of one month of Dutch study grant. Since the study grants do no longer exist, it was determined to make one grant equal to 1/12 of the tuition fee. This results in a value of about €172 per grant for Dutch students (€285,20 per grant in 2017/2018).

This old and new value is represented in the tables, where the new projected grants amounts to about 1,6 more than the old amount. The model has been changed accordingly during the GMA of November. An overview of the changed grants can be seen in this table:

<b>Activity</b>	<b>Old grants</b>	<b>New grants</b>
Large study tour	18	29
Medium study tour	15	24
Small study tour	12	19
Symposium	5	8
Europe trip	5	8
Small Europe trip	3	4
Business course	3-5	4-8
Other (category 4)	1-2	1-2

Category 1 has been filled up completely. Category 2 is filled up to 7 (out of 8) grants, since otherwise a fair division over category 3 would not be possible. Category 4 will receive no grants.
