

Not all activism grants available in 2018 were claimed. Because of this, the leftover grants are distributed over the umbrellas and it was determined that we have an extra **14 grants** available.

The ABC proposes to use 12 of the 14 grants to fill up the symposia in category 2. The remaining two grants will be given to the Europe trip of Astatine and Newton in category 3.

This results in the proposed final distribution as shown below.
